

THE UNIVERSITY OF TEXAS

Camps & Clinics Safety Measures

Welcome to the Longhorns Boys Basketball Camps. UT Athletics takes great pride in hosting the best youth camps in the country and that begins with promoting a safe and secure environment for all participants. Here are just a few ways we promote the safety and well-being of your child while participating in our camps:

- Our hiring process starts with a pre-employment screening, including an interview and comprehensive criminal background check for each prospective employee.
- In accordance with state law, all camp employees complete mandated training for child abuse awareness and reporting.
- With a camper to staff ratio of 10-1, we maintain constant supervision throughout our camp activities.
- Our housing facilities are professionally staffed with 24-hour on-site security and staff is trained on the appropriate emergency response procedures.
- Licensed and experienced athletic trainers are also on call for the duration of each camp.
- UT has rigorous and detailed policies and procedures followed by all camp supervisors and camp staff.
- UT athletics assigns a full-time employee to work with all camp supervisors and all areas of UT athletics contribute to camp operations: sports medicine, events/facilities operations, business, compliance/risk management and sports operations.
- Texas athletics conducts camps within the campus environment of The University of Texas at Austin, which attracts thousands of campers annually.

For questions or concerns you may contact the sport camp director at:

(Camp e-mail boysbkbballcamps@athletics.utexas.edu)

(Camp phone number 512-471-5090)

Or the UT Athletics camp supervisor at:
